SPM • 2012 - 2016 • SMJK CHI WEN

Result: 10As

SKILLS

SOFTWARE TESTING

Skilled in conducting manual testing and writing test cases and test scripts, coupled with the ability in using Selenium WebDriver with Java for automation testing, ensuring software reliability.

PROGRAMMING LANGUAGE

Possessing a solid foundation in various programming languages including Java and Python, facilitating the creation of automation test scripts and enhancing testing processes.

WEB AND MOBILE APP DEVELOPMENT

Proficient in HTML, CSS, JavaScript, PHP, MySQL, React, Node.js, Laravel and React Native, equipped to develop responsive web and mobile applications.

CI/CD FUNDAMENTALS

Equipped with basic knowledge in CI/CD principles, with hands-on experience in setting up CI/CD pipelines using GitHub Actions, gained through school coursework.

WORKING EXPERIENCES

IT BUSINESS ANALYST INTERN • 10/2021 - 12/2021 • AGTIV CONSULTING SDN BHD

- Maintained documentation, such as test scripts and functional requirement documents, to ensure they were updated.
- Conducted manual testing including unit testing, system integration testing, user acceptance testing, and regression testing.
- Utilized Azure DevOps to efficiently report identified bugs, ensuring clear communication and tracking throughout the resolution process.
- Engaged with clients to understand their business processes, facilitating the elicitation of system requirements.

TEACHING ASSISTANT • 01/2019 - 12/2019 • SMJK CHI WEN

- Planned learning activities and supervised students.
- Conducted classes independently in Mathematics and English.
- Contributed to organizing National English Carnival 2019.
